

Questions to Consider When Learning to Use a Virtual Classroom Tool

Area	Questions to Consider	My Notes
<p>Audio</p>	<ul style="list-style-type: none"> • What audio options are available? • Can I offer participants the option of VoIP and a telephone audio connection or just one or the other? How do I mute/unmute my line and participant audio? 	
<p>Breakout Rooms</p>	<ul style="list-style-type: none"> • How do I move people into and out of breakout rooms? • How does audio work in the breakout rooms? • How does the host move into and out of breakout rooms to check on participants? • Is there a maximum number of breakout rooms? • Is there a maximum number of participants per breakout room? • Can the work that participants do on a white board or other note taking area be brought back into the main classroom screen when the breakout session is over? 	
<p>Chat</p>	<ul style="list-style-type: none"> • Can I send both public and private chat messages? • How do I scroll through the chat messages? • Can I copy and paste text from a Word document or other text file directly into chat? • Can I export the chat? 	
<p>Content</p>	<ul style="list-style-type: none"> • How do I display slides and other content files? • How do I advance slides? • What types of files can I display (eg: .ppt, .pdf, .jpg, .mov)? • How do I delete a file that I upload? 	
<p>Drawing & Pointer Tools</p>	<ul style="list-style-type: none"> • How do I write on the screen or whiteboard? • How do I erase or undo? • What drawing tools are available, other than writing (for example, highlighter tool, stamper tool, ability to draw shapes)? • Is there a pointer tool? • How do I switch from one tool to another? 	
<p>Maximums</p>	<ul style="list-style-type: none"> • What is the maximum number of participants allowed in a session? • What is the maximum number of hosts (instructors) allowed?
